## **New installation and user manual SILOTANKS**

A new installation and service manual for our silo tanks is now available for you in the dealer section of our homepage. The installation protocol is enclosed with the manual. This must be completed during installation and submitted to Wedholms. The installation and service manual is included with the silo tank upon delivery.

If you have any other questions or would like to give us feedback, please do not hesitate to contact us at [support@wedholms.se](mailto:support@wedholms.se)

Best regards,

Wedholms AB
